The University of Dayton

News Release

UD HOSTS ENGINEERING
OPEN HOUSE OCTOBER 24

DAYTON, Ohio, October 14, 1981 -- The University of Dayton School of Engineering will host an open house October 24 for high school students and others interested in pursuing a career in engineering. The Kettering Engineering and Research Laboratories building will be open from 12:30 to 4:30 p.m.

Registration begins at 12:30 p.m. in the lobby. A welcome will be given by Russell A. Primrose, dean of engineering, and James L. McGraw, associate dean for engineering technology, at 1 p.m. in Kettering Laboratories 281. Faculty representatives for all departments of the School of Engineering will be on-hand to discuss career opportunities in that field with students and their parents. Personnel from UD's Office of Admissions, Financial Aid, Co-operative Education, Continuing Education and the Honors Program will also be available to talk about services they offer students. Tours of the engineering facilities and the UD campus will be provided.

The event is free and open to the public. For details call the School of Engineering, 229-2736.
